The [m]eatery dry-aged German pasture-fed beef

Our speciality is German [m]eatery pasture-fed beef. The cuts of sirloin are matured by traditional methods in our in-house maturing chamber for at least 6 weeks. Every day our chef checks the climate in the maturing cell and thus guarantees the best quality. The steaks are then sawn out of the mature beef with the greatest of care and skill. Our chefs will grill your steak on an 800°C Southbend grill exactly the way you wish it to be done. The result: a superlative steak with a crisp, caramelised finish!
